PARK VIEW DIAMOND TABLE LOCATIONS

I just wanted to check in with you to let you know what positive responses we are getting from all of our employees who have been attending the Unicorn games [using our Diamond Table]. Everyone loves it!! Some of the comments I have been receiving are:

- “so much fun”
- “very competitive baseball”
- “very attentive employees”
- “employees appear to be well trained in guest services, their training must be modeled after the Disney training”
- “great for families”
- “so much for kids to enjoy”
- “food was great; very reasonably priced beverages”
- “definitely will go again”
- “the owner came by to welcome us and see if we needed anything”

Our employees who attended last night's game, showed me a video of the Human Cannon Ball.... They thought it was hysterical and were very entertained. They had a great time. I will be using some of the pictures they took with some of your characters in our annual company meeting. Thanks again for all that you and your staff do to provide a great evening for our employees.
