DIAMOND TABLES

"This has been a great decision, we give our tickets to an employee of the week (every week during the season) at our company. I have only received wonderful feedback from them and their families about their experiences. It is such a great experience for them to be able to come to a great location, eat, have an ice cream and popcorn and not pay a dollar. What a joy watching a baseball game on a Friday night with amazing fireworks and wonderful wait staff. The stadium is spotless and all friendly faces. Thank You for providing such an amazing stadium and teams for our entertainment and enjoyment."

- Rebecca R., Blue Water Trucking

"We use our Diamond Table tickets primarily for Employee Recognition so I tell our employees that when you step into the ballpark, be ready for one of the best gameday experiences, from premium seating to gameday promotions, from the mascots pumping up the crowd to children running the bases at the end of the game, and much, much more. Every employee who has attended a game comes back saying, 'everything was great, what a fantastic and affordable family experience!' Another typical review has been 'the ballpark is beautiful with some of the nicest, most enthusiastic and extremely helpful and friendly staff.'"

- Joseph R., KOSTAL North America

"Our entire family just can't get enough of the USPBL and Jimmy John's Field. The warmth and comfort we feel in the stadium only proves Mr. Appleby has accomplished what he has set out to do. It's truly a joy to be surrounded by the natural energy that is given off by the crowd, staff, players and management."

- Holly R., Action Insurance Service
