SUMMER PICNICS

"I just wanted to take a minute to let you know how impressed we were with the staff at yesterday's game. It was our first time there, and our son's very first baseball game. [It was his 6th birthday yesterday and all he wanted to do was go to Jimmy John's Field!] I cannot express just how positive of an experience we had yesterday. It's truly a day that we will never forget. Thank you for such an amazing day, and to your employees for showing such compassion. Well done! We can't wait to come back!"
