

FULL SEASON & 40-GAME MEMBERSHIPS

"What an enjoyable time we all had at Jimmy John's Field. I was thoroughly entertained, found the field lovely, friendly, well attended by the staff and the masses. We had some food (bratwurst, - yum!), drinks, strolled, and relaxed. I LOVED the fireworks and the kids running the bases and all the in-game entertainment. What a bang for the buck! So family friendly, and all kinds of nice details, mascots, restaurant, seating choices. Very impressed."
