THE CLEAR CHOICE!

“Just wanted to touch base to let you know that we’re getting rave reviews on the games and the suite. The USPBL has been phenomenal though the whole process - very attentive. Our wait staff has been great - very personable and attentive but not intrusive. You’ve built a great venue with a great team. Keep up the great work!”
- Kelly G. Paslin

“Thank you so much for how much you and everyone at the stadium takes care of us and our customers. We continue to hear only great reviews from all of our customers regarding how great the experiences are.” Dan B.,
Caniff Electrical Supply

“We got a suite last night. Just wanted to tell you the girls working the suite are top notch. Professional, super friendly and they have gone above and beyond. As always, your team never disappoints. I brought some first timers too and they are blown away.” - Andrew

“Just wanted you to know that we went to the field today for the first time to celebrate a birthday. I can’t say enough about how impressed our family was with just everything! The staff is friendly and so family oriented. My 5 year old granddaughter was so excited with the superhero dance squad who let her pose for pictures, dance with the them, answered all of her questions, etc. A member of your staff helped her run the bases... I could go on and on about the wonderful afternoon. Thank you so much or one of the best memories my granddaughter will have!”
- Rhonda

“A quick note to say thank you for a great event for our clients and friends on Saturday. The Chevy tent setup was AMAZING. We received nothing but compliments on the location, food/drink and overall experience. We spent the entire weekend at the park - Friday with the Adamo Group, Saturday with our event, and Sunday in Suite 302 for a birthday party, and all of the events were wonderful. I may be a bit biased, but I thought ours was the best!” - Angie

“I just want to thank you are your staff for a wonderful evening for the team and their parents. Everyone had a fun filled evening and have so many memories and pictures. The kids will never forget the experience that you provided for them with all of the things they got to do. This was the first time for most of them to attend any games at JJ’s and from the chatter they will be back in the form of spectator and even someone is going to have a birthday party there.” - Carol
