THE CLEAR CHOICE!

“This has been such a great decision, we give our tickets to an employee of the week (every week during the season) at our company. I have only received wonderful feedback from them and their families about their experiences. It is such a great experience for them to be able to come to a great location, eat, have ice cream and popcorn and not have to pay a dollar. What a joy watching a baseball game on a Friday night with amazing fireworks and wonderful wait staff. The stadium is spotless and all friendly faces. Thank you for providing such an amazing stadium and teams for out entertainment and enjoyment.” - Rebecca R., Blue Water Trucking

“We use our Diamond Table tickets primarily for Employee Recognition so I tell our employees that when you step into the ballpark, be ready for one of the best gameday experiences, from premium seating to gameday promotions, from the mascots pumping up the crowd to children running the bases at the end of the game, and much, much more. Every employee who has attended a game comes back saying, ‘everything was great, what a fantastic and affordable family experience!’ Another typical review has been ‘the ballpark is beautiful with some of the nicest, most enthusiastic and extremely helpful and friendly staff.’” - Joseph

“I just wanted to check in with you and let you know what positive responses we are getting from all of our employees who have been attending the Unicorns game using our Diamond Table. Everyone loves it. Some of the comments I have been receiving are so much fun, very competitive baseball, very attentive employees, employees appear to be well trained in guest serviced, great for families, so much for kids to enjoy, food was great and very reasonably priced beverages, definitely will go again, the owner came by to welcome us and see if we needed anything. Thanks again for all that you and your staff do to provide a great evening for out employees.” - Deb, US Farathane

“I just wanted to let you know that we were at the game on Friday night. We were given seats in the Diamond Table area from ASI and we had a great time at the game and enjoyed the food and drinks. But the highlight by far was the fireworks, WOW! Those were amazing. Since you are new and small we did not expect much when we saw you were having fireworks so we were surprised when we saw them. They are comparable to a city firework display on Fourth of July. We heard from one of your workers that that was your normal Friday night display and that July 2nd would be eve bigger. We will definitely be back and will make sure it's on a fireworks night. Thank you so much for the contribution that you are making to the area. You are doing a great job.” -Regina G.
