“From our initial planning conversation to execution on game day, your team went above and beyond to make this a memorable event for our clients and their families. We understand that hosting an event for 400 people is not an easy undertaking, but your advice and planning went a long way.” - James T., DFLT Financial Advisors

“I wanted to let you know and the entire team at the USPBL and Jimmy John’s Field know that last year’s company picnic was the most successful in the history of our organization. The outing to JJ Field is still talked about today as being one of the best times any of our employees have had. Everyone had an incredible time. And especially noteworthy were the many, many comments I received on how very cool it was for everyone that we got to go on the field and hold the big flag for the anthem. Needless to say, I just had to do it again this year.” - Bob C., President of Check Corporation

---

“I have to say that it was my first time at Jimmy John’s Field and what a great experience. Leading up to our visit I heard nothing but great reviews about your product and surely it did not disappoint. It is a first class venue with a great atmosphere. The staff was super friendly and the product on the field was fun to watch. My family had a blast! It’s kind of funny, my son loves pro team hats and now he is begging me for a Diamond Hoppers hat!!! You guys definitely left a great impression on us and thank you very much for being great hosts.” - Tim G.

“I just want to let you know that everyone had a great time on our first Jimmy John’s Field outing! It went so well that we’ve decided to make it an annual event. Thanks so much for all your help in coordinating things for us. Everyone was so nice and very accommodating while we were there.” - Diana M.

“Every single staff member was polite, professional but also personable making our company picnic truly fun and relaxing. The kids loved the freedom to run around on the hill, play area and be kids while the adults (without kids) could relax in the seating area and enjoy the game. The upgrade to the Grand Stand was the icing on the cake. Many Thanks to EVERYONE who worked so hard to make our Annual Company Picnic successful. We will definitely be back!” - Charlene S.

"I can't tell you how much we appreciated being able to have our meeting at Jimmy John's Field! This has been one of the best meeting planning and execution experiences I have had. From your immediate help with our short timeline to the total commitment and responsiveness of the entire team to make this meeting a success - I could not have asked for more. Everyone agreed that the relaxed atmosphere, comfortable accommodations, great food and friendly staff really helped us break out of our day to day routines and led to a great, creative strategy meeting. Everyone loved the Park! My boss told me that 'this was much better than being in a boring meeting room!' Congratulations to everyone on a great experience!" - Ruth C.

"Thank you so much for a truly enjoyable experience. All of our guests commented over and over about how nice it was and so many said, 'It makes me feel special!' and 'This is so laid back and so much fun.' When I asked them if they felt they got their moneys worth, without exception they said yes. So many people were asking if we were doing this again next year. And William, the 6 year old boy, said he had the best time ever." - Wendy

"I just want to take a minute to let you know how impressed we were with the staff at yesterday's game. It was our first time there, and our son's very first baseball game. (It was his 6th birthday and all he wanted to do was go to Jimmy John's Field!) I just cannot express just how positive of an experience we had yesterday. It's truly a day that we will never forget. Thank you so much for an amazing day, and to your employees for showing such compassion. Well done! We can't wait to come back!" - Rachael
