**TY HENSLEY**  
Former 1st Round Draft  
Pick of New York Yankees

*"I am emailing you tonight just as soon as I got home because I wanted to THANK YOU for a job well done! You have NAILED IT! And I dare say you are better than Disneyland. You are more affordable. And I don't ever recall hearing anything about Disney coordinating the contribution of funds from community entities to charities: buying a game worn jersey = 50% of the profits go to ALS research, a stolen base generates another charitable donation, and so on. As the mother of two now grown sons, I was astounded to see seven, eight, and even 14-year-old boys responding with genuine excitement and confidence to the seventh inning stretch dancers by JOINING IN THE DANCING! Kudos to you for putting the bat boys out there as well as the cheer girls to lead the dance! All of the activities you have put in a game night occupy absolutely everyone: the youngsters who got to make their proudly worn headbands for their favorite team, the giveaways (I scored a JJ bobble head), the special selections of random rows for more giveaways, the Beer Batter of the night so we'll watch if he gets a hit and we get a discount, the movie night, the fireworks I've heard about, letting the kids run the bases afterwards and give high-fives to the team mascots ... it all adds up to the greatest thing I've seen in baseball in decades."*

## LETTER FROM THE OWNER

As we approach the start of our sixth season at Jimmy John's Field, we are looking forward to *"Bringing Back the Fun in 2021"*! We all have persevered through challenging times, and now we can look forward to being back outside at the ballpark this summer, under the stars, and enjoying life once again.

Although the summer of 2020 did not bring us the same action as prior seasons, we made a commitment to our supporters and athletes and we played a full baseball season last summer. During the truly unconventional season, we powered through with safety and caution while embodying the captivating spirit that we have become known for by our fans. While Jimmy John's Field was already the cleanest ballpark in all of baseball, we took cleaning and sanitizing to a whole new level last summer while entertaining small but exuberant crowds. Every fan who entered the ballpark felt incredibly safe and happy while enjoying games.

While the limit on crowds last summer was a challenge, it also led to some terrific new developments for our league, as we learned to adapt to the new environment. We launched our own broadcast network in 2021, the USPBL Network, which featured a

professional, four camera, live broadcast that engaged fans in Metro Detroit and across the country on our social media channels. Through the USPBL Network broadcasts, we captured fantastic baseball moments that were nationally recognized on news outlets, including 2 spotlights shown on ESPN's SportsCenter. The USPBL Network broadcast of USPBL games reached more than 5.4 million people during the 2020 season, with an average viewership of 16,793 per broadcast. The broadcast of our Championship Game, which was won by the Utica Unicorns, had more than 41,000 live viewers.

As we look forward to the 2021 baseball season, our Opening Day is Friday, May 28, and we will be playing every week in the summer through our Championship Game on Sunday, September 12. Our theme for the season is *"We're Bringing Back the Fun in 2021"*, and we plan to bring back all the great entertainment and promotions that we are used to providing at the ballpark, such as Friday Fireworks Spectaculars, Live Music Saturdays, Sunday Fundays with characters from Fairytale Entertainment for the kids, the USPBL Dance Crew, and, of course, JJ The Field General, our resident bat dog! The 2021 season will see us welcome our One Millionth Fan to Jimmy John's Field, and we expect JJ to retrieve his 1,000th bat this season. We also will continue to provide top-notch baseball at our world-class ballpark, where 38 players have already been signed to contracts by Major League organizations in just five seasons, with former Utica Unicorns pitcher Randy Dobnak currently pitching for the Minnesota Twins!

We are excited to put 2020 behind us, and to see our many fans back at the ballpark enjoying baseball this summer! We remain the best, most affordable family entertainment experience in Metro Detroit, and we are still the best ballpark in America!

# RANDY DOBNAK DOMINATES

It was a watershed moment for the USPBL when former Utica Unicorns pitcher Randy Dobnak was called up to the Minnesota Twins and made his first appearance on August 9, 2019, becoming the first USPBL alum to make it to the Majors! Dobnak was undrafted in 2017 out of Alderson Broaddus University in West Virginia when he was signed by the USPBL to play for the Utica Unicorns. He was signed by the Minnesota Twins in August of 2017 based on the recommendation of USPBL Director of Baseball Operations Justin Orenduff, and Dobnak proceeded to make his way all the way up through the Twins Organization in just two years!

“It’s been an unbelievable experience. Two years ago I never thought I would be where I am today. I’m speechless and thankful for the opportunity the USPBL has given me to jump start my career. It’s unbelievable. It’s great to go back and see where it all started. I can’t give enough thanks to the USPBL and Jim Essian (Unicorns Manager) for getting me into the league. Without them I don’t know what I would be doing right now. It’s been an incredible ride. Don’t give up on your dream.”

WHAT THEY HAVE TO SAY

*"You make every trip to Jimmy John's Field feel like as much or more fun than a trip to Disney World! Thank you for ALWAYS making me and my guests feel welcome and supremely cared for at JJ Field! That park is the best thing that's ever happened to this community. By the way, our suite server is outstanding! Perfect combination of professional and personable. Anticipates our every need and never misses a beat! Friendly guy who obviously loves his job and cares about making guests feel welcome!"*  
-Debra O., SME

*"Thank You to everyone who assisted us in our great event last week! The staff loved the Founder's Suite and we hope to have another event there soon! The food and drinks were AWESOME as well as we felt the suite fit us perfectly! Thank you all again and looking forward to another game in the near future!"*  
-Cortney S., Avancez Assembly-Warren

*"I just want to let you know that everyone had a great time on our first Jimmy John's Field group outing! It went so well that we've decided to make it an annual event. Thanks so much for all your help in coordinating things for us. Everyone was so nice and very accommodating while we were there."*  
- Diane M., Specialty Steel Treating

*"Thank you for an amazing first time experience at Jimmy John's Field. We were in a Cabana Suite and the food, service and atmosphere did not disappoint. Our Server was the best! You have a lot to be proud of, and we will certainly be back."*  
-Lori D.

*"I just wanted to drop a quick note to let you know that our group really enjoyed the playoff game at the Diamond Table this past Saturday. As always, the evening was first class and top notch. You've really got a great crew there. Thanks for stopping by the table and saying hi. I know you're incredibly busy, especially during a playoff game, yet you always find the time to say hi to everyone there. Brian and Nicole stopped over too. That speaks volumes of your entire organization and how incredibly first class each of them are, including the ladies working the Diamond Tables! We had another awesome game event there at Jimmy John's Field. Please thank everyone."*
