CLEANLINESS OF THE BALLPARK

OVERALL TASTE OF FOOD & BEVERAGE

“I am emailing you tonight just as soon as I got home because I wanted to THANK YOU for a job well done! You have NAILED IT! And I dare say you are better than Disneyland. You are more affordable. And I don’t ever recall hearing anything about Disney coordinating the contribution of funds from community entities to charities: buying a game worn jersey = 50% of the profits go to ALS research, a stolen base generates another charitable donation, and so on. As the mother of two now grown sons, I was astounded to see seven, eight, and even 14-year-old boys responding with genuine excitement and confidence to the seventh inning stretch dancers by JOINING IN THE DANCING! Kudos to you for putting the bat boys out there as well as the cheer girls to lead the dance! All of the activities you have put in a game night occupy absolutely everyone: the youngsters who got to make their proudly worn headbands for their favorite team, the giveaways (I scored a JJ bobble head), the special selections of random rows for more giveaways, the Beer Batter of the night so we’ll watch if he gets a hit and we get a discount, the movie night, the fireworks I’ve heard about, letting the kids run the bases afterwards and give high-fives to the team mascots ... it all adds up to the greatest thing I’ve seen in baseball in decades.”

~ Paula Porter

LETTER FROM THE OWNER

"Just wanted to drop a quick note of a congratulations. Friday night I finally took my twin 10-year-olds and their friends to your baseball game. It was the most amazing night for them, a fun-filled family entertainment experience that exceeded our expectations! You nailed it in EVERY way." - Lynnette

"My husband and I attended the ball game last Friday evening and had a most wonderful, fun, magnificent time. He is 87 and I am 80 and we felt like kids again at the ballpark. Thank you, Mr. Appleby." - Chuck and Gini

If you haven't been to a baseball game at Jimmy John's Field yet, let me tell you a little bit about it and why you need to make it a priority to attend a game in 2022. When we opened Jimmy John's Field in Utica, Michigan on May 30, 2016 with our first game of the United Shore Professional Baseball League, our goals were to have:

- The Best, Cleanest, Safest, Friendliest Ballpark in America
- The Best, Most Affordable Family Entertainment Experience in Metro Detroit
- The Best Independent, Professional Baseball League in America
- A Happy Place Where Memories are Made

As we approach our seventh season of baseball at Jimmy John's Field, I can honestly say that we have achieved all of those goals, and so much more!

Jimmy John's Field is a timeless classic of a ballpark, where our staff follows the mantra of "no napkin on the ground for more than 5 seconds"! Everyone who comes to the ballpark for the first time always has the same reaction - "It's so much nicer than I thought it was going to be."

While the ballpark is beautiful, and provides a very premium level experience in terms of finishes and amenities, we have maintained a focus on making sure it is an affordable place for families to come to enjoy a game and for local businesses to entertain their

employees and clients. Because the ballpark is so affordable, our fans are always surprised by the multi-million-dollar entertainment experience they enjoy at our games. From Fireworks Spectaculars after every Friday game, to our very own Bat Dog – JJ The Field General (a golden retriever who fetches the bat), to our USPBL Dance Crew comprised of local teens and tweens, to live bands that play from our Sound Stage, our four team mascots (Lancelot, Ribbi, Buzz, and Woolly Maze), as well as regular appearances by Magician Anthony Grupido and characters from Fairytale Entertainment, a Wiffle Ball Field and Playground in the Kids Zone, a top-notch Craft Beer Garden, a concert quality sound system and 50'x80' HD LED Scoreboard, and a high-class VIP Club / restaurant inside the ballpark, every game at Jimmy John's Field is filled with great entertainment, food and drink, and there is always a fun theme or promotion for every game.

We have done all of this while quickly building the USPBL powered by UWM into a fantastic professional baseball league where players who just barely missed getting drafted can come to continue to develop their skills and achieve their dream of getting signed by a Major League Baseball team. Our league is comprised of four professional baseball teams – the Utica Unicorns, the Eastside Diamond Hoppers, the Birmingham Bloomfield Beavers, and the Westside Woolly Mammoths – that all play each other at Jimmy John's Field. To date, we have been successful in helping 45 of our players to get signed by Major League organizations, and one of those players – Randy Dobnak – currently pitches for the Minnesota Twins, with several other former USPBL players on the cusp of making Major League rosters at this time. Suffice it to say that there is some great baseball being played at Jimmy John's Field.

At a time when everyone is so busy, we are constantly amazed that we receive hundreds of unsolicited emails and letters each year from people who have attended games commenting on the wonderful experience they had, how friendly and helpful our staff is, how clean the ballpark is, and how much FUN they had at the ballpark! During our 2021 baseball season, we were fortunate to welcome our One Millionth Fan to a USPBL game at Jimmy John's Field. So the question is – if you haven't been to Jimmy John's Field yet, what are you waiting for? Come out and visit us at the Best Ballpark in America in 2022. Our USPBL baseball season starts with Opening Day on Friday, May 20th and we play almost every Thursday through Sunday all summer long until our Championship game on Sunday, September 11th!

USPBL PLAYERS IN THE MAJORS

45 USPBL PLAYERS HAVE BEEN SIGNED TO CONTRACTS BY MAJOR LEAGUE ORGANIZATIONS!

RANDY DOBNAK AT JIMMY JOHN'S FIELD

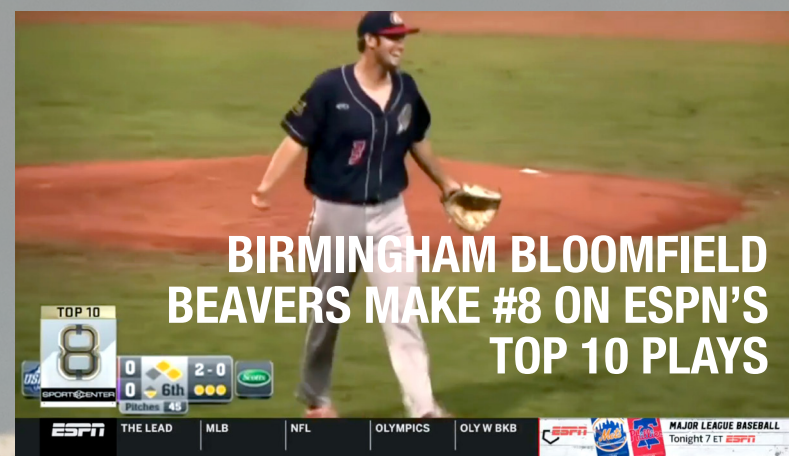

It was a watershed moment for the USPBL when former Utica Unicorns pitcher Randy Dobnak was called up to the Minnesota Twins and made his first appearance on August 9, 2019, becoming the first USPBL alum to make it to the Majors! Dobnak was undrafted in 2017 out of Alderson Broaddus University in West Virginia when he was signed by the USPBL to play for the Utica Unicorns. He was signed by the Minnesota Twins in August of 2017 based on the recommendation of USPBL Director of Baseball Operations Justin Orenduff, and Dobnak proceeded to make his way all the way up through the Twins Organization in just two years!

"It's been an unbelievable experience. Two years ago I never thought I would be where I am today. I'm speechless and thankful for the opportunity the USPBL has given me to jump start my career. It's unbelievable. It's great to go back and see where it all started. I can't give enough thanks to the USPBL and Jim Essian (Unicorns Manager) for getting me into the league. Without them I don't know what I would be doing right now. It's been an incredible ride. Don't give up on your dream." ~ Randy Dobnak, Minnesota Twins

4 PLAYERS SIGNED BY MINNESOTA TWINS ON THE SAME DAY IN 2021

- Malik Barrington (Beavers)
- Jordan Carr (Unicorns)

WHAT THEY HAVE TO SAY

"I can't say it enough...I LOVE JIMMY JOHN'S field! The field, the staff, the organization as a whole... everything is amazing, wonderful, fun, friendly, clean, and so, so enjoyable. I've been lucky enough to enjoy our company tickets a couple times, but we buy them as a family frequently throughout the summer because we always have such a great time. The cost is so manageable and it just makes for a super chill, fun, worry-free evening. I sound like a walking, talking billboard for Jimmy John's whenever it comes up because I think so highly of what you, and all the other team members have built that organization into. The company values and culture is second to none. My kids almost think of Jimmy John's as Disney World in their own backyard. A huge kudos to you all for making Jimmy John's such an amazing experience for local families."

~ Melissa Cervin, Lombardo Companies

"The park is amazing, your vision in creating all of that from just an idea is quite unbelievable - congratulations. And congrats on an exciting finish to another season! Thank you for the hospitality. We really enjoyed our afternoon!" ~ Tom Giftos, National Coney Island

"I just wanted to reach out and thank you all for everything you all do at Jimmy John's Field. I've been getting raving reviews from our employees after every game they attend. I also wanted to point out that an employee had accidentally showed up to the wrong game and all she had to do was go to the box office and they adjusted the tickets for her to go that day. She was amazed with the customer service and how accommodating you all were, even though it was her mistake. We really really appreciate all the work you guys do to allow us and our team to enjoy these baseball games! Lastly, I contacted you this morning to get an extra set of tickets for a game and your response time was so fast and you really helped me out! You all are awesome and have such an amazing team, I am so glad to be working with you all. Thank you for everything!"

~ Tina Butler, L&L Products

"I cannot thank you and your staff enough for such an amazing experience at Jimmy John's Field. Our group of 7-year-old kids said multiple times that they were so happy and had such a great time. One kid said "this birthday party was epic". My son practiced all day Saturday throwing a ball, he was ecstatic to throw the first pitch which became an amazing STRIKE!). A million times again and again THANK YOU. I just wanted our group of kids to be kids again and just have a great time with each other, and they all did. THANK YOU. We cannot wait til next season."
