*"You have truly created a unique experience that captures the spirit of going to the ballpark, but so much more. Congratulations on your success!" – Jeff*

# LETTER FROM THE OWNER

When we opened Jimmy John's Field in Utica, MI on May 30, 2016 with our first game of the United Shore Professional Baseball League, our goals were to have the cleanest, safest, friendliest ballpark in America; the best, most affordable family entertainment experience in Metro Detroit; the best independent, professional baseball league; and a happy place where memories are made. As we approach our ninth season of baseball at Jimmy John's Field, I can honestly say that we have achieved all of those goals, and so much more!

We have built the USPBL into a fantastic professional baseball league where players who just barely missed getting drafted can come to continue to develop their skills and achieve their dream of getting signed by a Major League Baseball team. Our league is comprised of four professional baseball teams – the Utica Unicorns, the Eastside Diamond Hoppers, the Birmingham Bloomfield Beavers, and the Westside Woolly Mammoths – that all play each other at Jimmy John's Field. To date, we have been successful in helping 51 of our players to get signed by Major League organizations, and five former USPBL players have made it all the way up to a Major League

roster - Randy Dobnak (Minnesota Twins), Logan Gillaspie (Baltimore Orioles), Jared Koenig (Oakland A's), Joey Wiemer (Milwaukee Brewers), and Randy Wynne (Cincinnati Reds). The ballpark itself is a beautiful, timeless classic, and provides a premium level experience in terms of finishes and amenities. The ballpark is maintained to the highest standards, and our staff follows the mantra of "no napkin on the ground for more than five seconds!" Everyone who comes to the ballpark for the first time always has the same reaction - "It's so much nicer than I thought it was going to be."

While the ballpark is beautiful, we are dedicated to making sure it is an affordable place for families to come to enjoy a game and for local businesses to entertain their employees and clients. Because the ballpark is so affordable, our fans are always surprised by the multi-million dollar entertainment experience they enjoy at our games. We have Fireworks Spectaculars after every Friday game, our very own Bat Dog – JJ The Field General (a golden retriever who fetches the bat), our USPBL Dance Crew comprised of local teens and tweens, live bands that play from our Sound Stage, four team mascots (Lancelot, Ribbi, Buzz, and Woolly), as well as regular appearances by Magician Anthony Grupido and characters from Fairytale Entertainment. The ballpark also features a Wiffle Ball Field and Playground in the Kids Zone, a top-notch Craft Beer Garden, a concert quality sound system, a 50'x80' HD LED Scoreboard, and a high-class VIP Club/restaurant inside the ballpark. Every game at Jimmy John's Field is filled with great entertainment, food and drink, and there is always a fun theme or promotion for every game.

The experience we have created at Jimmy John's Field has not gone unnoticed. We are constantly amazed that we receive hundreds of unsolicited emails and letters from people who have attended games commenting on the wonderful experience they had, how friendly and helpful our staff is, how clean the ballpark is, and how much FUN they had at the ballpark! Make Jimmy John's Field part of your corporate entertainment plans for 2024 by reserving a group outing, suite, or ticket plan now. Our 2024 season starts with Opening Day on Friday, May 17, and we play almost every Thursday through Sunday all summer long through our Championship game on Saturday, September 7.

# USPBL PLAYERS IN THE MAJORS

***51 USPBL PLAYERS HAVE BEEN SIGNED TO CONTRACTS BY MAJOR LEAGUE ORGANIZATIONS!***

When the USPBL powered by UWM opened the gates for its inaugural season in 2016, it immediately found success with both fans and Major League organizations. Through 2023, 51 players have signed contracts with 18 different MLB teams. Many USPBL alumni are currently playing in the high ranks of the Minor League system, and five have cracked MLB rosters so far. The USPBL's first Major Leaguer was former Utica Unicorn Randy Dobnak, who made his debut with the Minnesota Twins in 2019. In 2023, two more former USPBL players made their MLB debuts - Randy Wynne, with the Cincinnati Reds, and Joey Wiemer, with the Milwaukee Brewers.
