

Grounds Crew – Job Description – Jimmy John’s Field

Duties and Responsibilities Summary:

Responsible for the upkeep/maintenance of the playing field and surrounding grounds areas of Jimmy John’s Field with supervision from head and assistant head groundskeeper.

Primary Responsibilities:

- Responsible for all field prep including, but not limited to, mowing, watering, and seeding.
- Assist in keeping inventory of all grounds equipment and material needed for field upkeep
- Responsible for all infield skin/dirt maintenance including edging, mound and plate prep, warning track maintenance, and infield leveling procedures.
- Assist with preparing the field and bullpens for USPBL non-public games and practices.
- Assist with preparing the field and bullpens for non-USPBL games (collegiate, high school, youth, charity games, etc.).
- Regularly weed all areas of the field and surrounding areas of the ballpark
- Facilitate the infield tarp while monitoring weather conditions to ensure playability and player safety.
- Maintain field during games through in-game drags and mound maintenance if needed.
- Perform pregame and post-game field/turf maintenance as necessary.
- Operate and maintain all equipment in a safe manner and keep in excellent working condition.
- Assist with stadium operation tasks that relate to the general upkeep and cleanliness of the ballpark.
- Your supervisor may assign other duties at any time.

Pay Rate: \$12.48 per hour

Position Type: Seasonal
